More than 90 Americans are killed by gun violence and hundreds are injured every day. We're only 5 months into 2018, and there have been 22 school shootings where someone was hurt or killed, an average of one a week!

Gun violence is complex and deeply rooted in our culture, but grassroots organizations like Moms Demand Action for Gun Sense in America are demanding that legislators, companies, and educational institutions establish common-sense gun reforms.

**Teri Binaei** took on a leadership position with **Moms Demand Action** after the oldest of her three sons survived a campus shooting. Although Teri has a demanding professional life, she is also a devoted activist and will share some of the ways Moms Demand Action is helping concerned citizens become gun sense champions.

Student Activists, **Jackson Hinkle** and **Olivia Fu**, will talk about their perspective on gun violence and the Capistrano Unified School District's recent resolution on school safety and safe learning environments.

**Free and open to the public. Men are cordially invited.**

**Women For: Orange County** is a volunteer, non-partisan organization dedicated to advancing Human & Civil Rights, Peace, Social Justice, Education, Health Care and the Environment.
