2:00 - 3:00 pm - Zoom Panel Discussion*

3:00 - 3:30 pm Brief Question & Answer

The Orange County Board of Supervisors (BOS) controls an almost \$1 billion discretionary budget funded by our tax dollars. Over the past ten years, the BOS has increased the amount of discretionary funds directed to the Sheriff-Coroner by 151%; over the same period, they cut physical and mental health care, public health, and social services funding by 19%.

Are these the priorities you want for our county?

What would YOU do with OC's almost \$1 billion in discretionary funds to make our community stronger, more vibrant, and healthier?

What would YOU do to create a budget that works for all of us!?

Our two speakers are experts on this topic. They will be able to answer your questions and share ways that you can make your voice heard.
