Saturday, March 21
Great American Write In
We very much regret to inform you that, as a result of the current situation and real lack of knowledge surrounding COVID-19, we will be cancelling the 35th Annual Great American Write-In on March 21. We are concerned about bringing together so many people in a small space when we are not able to determine how prevalent the virus really is in our county. We are hoping to reschedule this year's Write-In for August when (hopefully) the flu season will have ended, but we will need to wait and monitor how this pandemic progresses. Let's hope for a positive outcome and for a chance to come together again soon in celebration of our progressive values and of each other. Until then, keep safe and healthy; and thank you for your continued support of the Write-In.

Wednesday, April 22
canceled

Wednesday, May 27
