

Dear Supporters of Women For: Orange County,

Our Board hopes you are healthy, safe, and doing well in this time of social distancing. As you may know, we have discontinued our monthly meetings indefinitely along with the Great American Write-In (GAWI) and Suffrage Day luncheon.

We have all learned how to use Zoom and, consequently, are planning future events via Zoom. We will post future Zoom meetings on our Facebook page and website as well as sending emails. The first event we would like to share with you is Americans United, Orange County Chapter's June meeting.
