**The League of Women Voters presents
Pros & Cons of California Propositions**

Monday, September 21, 2020

2:00 pm - Online Zoom Meeting

Steph Campbell, representing the **League of Women Voters (LWV)**, will provide

- a presentation of the 12 propositions that will be on the California ballot
- a brief overview of registration and voting in Orange County under current COVID restrictions
- information about Voter's Edge (<https://votersedge.org/ca>), LWV's ballot lookup tool

Please note: Local propositions will not be covered, just those that are state-wide.

The initiative process was created one hundred years ago so California citizens would not have to rely exclusively on lawmakers to make new laws. Propositions can:

- Create new laws
- Change or repeal existing laws
- Change the State Constitution
- Approve a bond measure

The League of Women Voters does not support or oppose candidates or political parties. It encourages informed and active participation in government and works to increase understanding of major public policy issues and influence public policy through education.
